

SAV DIPASQUALE

DIRECTOR

Sav is currently President of the Canadian Pharmaceutical Distribution Network (CPDN), a leading hospital distribution channel for pharmaceutical products that provides a strategic alternative to traditional and more costly intermediaries.

He is a results-driven business executive with a proven track record of visionary leadership, strategic change management, and business value creation in the Life Sciences industry. He is a catalyst for change, combining superb execution of strategic initiatives with collaboration across key stakeholders to deliver superior customer satisfaction and financial performance.

Sav is currently a member of the GS1 Canada Healthcare Board, helping drive the adoption of standards in the pharmaceutical supply chain and the Policy & Leadership stream of SCAN Health, working on building a more resilient healthcare supply chain in Canada. He is a proud member of the Canadian Association of Pharmacy Distribution Management (CAPDM) and Life Sciences Ontario (LSO).

He strongly believes in giving back to society and has been on several charitable boards, including the United Way of Peel Region. He is a volunteer board member of the Kids' Health Links Foundation (KHLF) charity. He is devoted to ensuring that ill children in hospitals can access a secure and educational social network called Upopolis, now installed at most sick children's hospitals across Canada.

He was awarded CIO of the Year in 2006 and inducted into the Canadian Healthcare Marketing Hall of Fame in 2019.

About Kids' Health Links Foundation

Kids' Health Links Foundation is a registered Canadian charity that, through the use of technology, helps young hospital patients stay connected to their family, friends and school. It has developed the private Upopolis online community in partnership with TELUS and McMaster Children's Hospital. Find out more at www.kidshealthlinks.org
